

Choose your next pedicure station

Three visual formats for salon owners, distributors and project buyers.

YIO-C08

Diamond-quilted design

YIO-C10

Canopy-style design

YIO-C11

Platform-style design

Begin with the design that fits your salon

Use this shortlist to compare visible layouts, then confirm the model, configuration and delivery requirements in your quotation. No model choice is required to start a discussion.

Professional Salon Equipment Solution Provider

Beauty Beds | Pedicure Spa Chairs | Shampoo Beds

Selection edition: October 2026. Photos show example configurations; included items and finishes are agreed in the order.

YIO-C08

Diamond-quilted design

A sculpted white body, quilted upholstery and a transparent foot-care bowl create a coordinated pedicure station.

**Visible layout**

Chair and foot-care bowl in a coordinated base

Upholstery

PU leather with sponge filling

Visible details

Armrest trays, cup holder and padded footrest

Product dimensions

151 x 82 x 96 cm

Review access around the station and request the selected configuration, connection requirements, packing size and gross weight before planning installation.

YIO-C10

Canopy-style design

An arched canopy profile, wood-look side panels and marble-look lower body give this model a distinctive visual identity.

**Visible layout**

Canopy-style chair with front foot-care area

Upholstery

PU leather with sponge filling

Visible details

Side trays, controls and padded foot support

Layout planning

Request the complete canopy and operating footprint

Compare the full canopy height, room access and service clearance. Ask which controls, lighting and fittings are included in the quoted configuration.

YIO-C11

Platform-style design

A high-back chair, separate round foot-care basin and black, white and gold-tone palette support a coordinated salon layout.

Visible layout	Chair and round basin on a coordinated platform
Upholstery	PU leather with sponge filling
Product dimensions	To be confirmed for room planning
Packing dimensions	130 x 80 x 95 cm - not product dimensions

The supplied image shows a multi-station arrangement. Confirm the contents of each purchased unit, adjustment configuration, utility routing and installation dimensions.

From shortlist to quotation

Send your preferred design, quantity, delivery country and city or postcode. Add color, logo or packaging-mark requests and your project schedule.

Minimum order	1 unit. Single-unit customization availability is confirmed in the quotation.
Payment	T/T bank transfer: 50% deposit and 50% balance before shipment.
Lead time	Typically 20-25 days. Schedule and starting conditions are agreed per order; transit time is separate.
Warranty	1 year. Coverage and responsibility for parts, labor and transport costs are confirmed in the order.
Shipping	Door-to-door solutions; EXW, FOB, CIF and DDP. The named place or port, costs and included services are specified in the quotation.
Order checks	On-site or remote supplier checks and product or packing photographs can be coordinated. Scope, timing and records are agreed in advance.
